CONFIDENTIAL
MEMORANDUM

August 28, 1991

TO: Ambassador Bishop - Acting

THRU: HA/BA Michael Arietti }
FROM: HA/BA - Mike Jacobsen } *with*

SUBJECT: Your meeting with Ambassador Gelbard,
Principal DAS in ARA, on August 29 at 1 PM

PFRU

-- Human Rights Survey/Program Development Team: Embassy Lima has asked for \$.9 million for such a team to explore and begin to implement: 1) JAG-JAG exchanges on human rights, 2) support for new Joint Command Staff Human Rights Office, 3) support for the IG's of the 3 services, and 4) assistance for the GOP to develop a counterinsurgency strategy that respects human rights.

-- According to Col McGarity (ARA/PPC), realistically in the next 30 days we can shoot for: 1) Col. Montamney's JAG team visit, already scheduled for Sept. 11-14 (funded by DOD LATAM money); 2) an MTT survey team, as requested by the Embassy (IMET cost: \$50-100,000); and 3) HR office components (word processors, etc.) (IMET cost: \$550,000).

-- Gelbard was scheduled to raise the issue with Gen. Harding of DOD/ISA (roughly Aronson's equivalent at Defense) during his weekly meeting with the General on August 28. What was the General's reaction? Time is running out on FY91 IMET; can't we at least get the survey team moving before 9/30? Should we have a meeting of the key players to try to get this ironed out? Should we bring Schifter, Aronson, and/or Levitsky into the picture?

--- Schifter testimony. At an ONDOP meeting on August 28, a White House Congressional Liaison person apparently decided that only ARA and INM would submit testimony for the September 12 hearings. Does ARA agree with this? (Comment: ARA, INM, and H all pushed for a separate Schifter statement, and that he lead the proposed CODEL in early September; we may be sacrificing some added credibility on the bill without RS's statement)

--- CODEL: H says that D is pushing for Amb. Schifter to lead the Sept. 5-8 CODEL to Lima. As you know, he is unavailable. H says that Aronson will lead another CODEL to Peru in late September, and that he needs to prepare for the Fujimori visit. Could Gelbard or DAS McLean make the trip?
